5. Where applicable, name and contact address of the authorised representative whose mandate covers the tasks specified in Article 12(2):
Not applicable
6. System or systems of assessment and verification of constancy of performance of the construction product as set out in Annex V:
AVCP System 1 for reaction to fire
AVCP System 3 for the other characteristics
7. In case of the declaration of performance concerning a construction product covered by a harmonised standard:
The CSTB (Notified Body n° 0679) performed a determination of the product type on the basis of type testing; an initial inspection of the manufacturing plant and of factory production control; a continuous surveillance, assessment and evaluation of factory production control under system 1 for the characteristic reaction to fire.
It issued a certificate of constancy of performance.

The LNE (n° 0071), the SRL (n° 1088) or the CSTB (n° 0679) performed a determination of the product-type on the basis of type testing (based on sampling carried out by the manufacturer), type calculation, tabulated values or descriptive documentation of the product under system 3 for the characteristic sound absorption.
It issued tests reports.

8. In case of the declaration of performance concerning a construction product for which a European Technical Assessment has been issued:

Not applicable

9. Declared performance:
