Milliken™

Eucalyptus Saligna in EUC114, ashlar tile installation, with Color Field in Flaxen and Tan Aura

ENHANCED INVENTORY LVT PROGRAM

Milliken's Luxury Vinyl Tile (LVT) provides an industry-leading sustainable solution for resilient surface flooring.

With the popularity of our LVT product line, Milliken's USA-based inventory system now makes it easier to respond quickly to new projects with an enhanced inventory level for large installations of featured patterns and colors.

From carpet tile to broadloom to planks to LVT, Milliken provides the durable and elegant options for your project. For more information on the Enhanced Inventory Program, including patterns available and current inventory levels, please contact your local Milliken sales associate.

Milliken LVT is 100% phthalate free utilizing bio-based plasticizers derived from soybean oil as the phthalate alternative.

The following products represent the current selection offered through the Enhanced LVT Inventory Program.

Milliken Glue-Down LVT Construction

- 1. ADÁMAS™ POLYURETHANE COATING** UV-cured coating, reinforced with silica beads, that provides excellent stain and abrasion resistance, eliminates the need for wax, polishes and harsh chemicals—reduced maintenance costs and contributes to improved IAQ.
- 2. TRANSPARENT WEAR LAYER** 0.70 mm (28 mil) Transparent Wear Layer. Hard-wearing, provides long lasting appearance retention in heavy commercial traffic environments. Superior performance versus traditional 0.50" (20 mil) & 0.55" (22 mil) wear layers.
- 3. PRINTED LAYER** This layer utilizes high definition print film for stunning, eye-perfect, authentic visuals.
- 4-5. CORE AND BACKING LAYERS** Our high content, 100% virgin vinyl core and backing ensures excellent dimensional stability, impact resistance and durability.

Wear Layer Thickness
28 mil (0.7 mm)

Overall Thickness
.100" (2.5 mm)

Milliken LVT meets many environmental standards, including:

- 100% REACH Compliant
- FloorScore® certified
- Declare ingredient label
- Third Party Certified EPD

Milliken LVT is highly durable resilient flooring engineered with the highest quality raw materials to provide unsurpassed performance and enduring aesthetics. Milliken LVT is 100% phthalate free utilizing bio-based plasticizers derived from soya bean oil as the phthalate alternative. All production waste is granulated and recycled into backing production to create an internal closed loop recycling process. Milliken LVT is manufactured at facilities that are ISO 9001 and ISO 14001 compliant.

Also available is Milliken underlayment for use with both our 2.5 mm glue down LVT and our Freelay LVT.

Installation Methods

Complete Flooring Solutions

Milliken Floor Covering offers products and expertise in all areas of your commercial spaces, including high-performance entryway systems, broadloom & modular carpet, luxury vinyl tile, and milliCare®. Simplify your flooring needs with a trusted partner that will let you enjoy creating a great space without having to worry about everything else.

Entry Systems

The OBEX® brand of products offers highly effective, comprehensive modular entry solutions designed as a three-zone barrier system to prevent dirt and moisture from entering the building.

Available in coordinated colors and patterns, OBEX® entry products are engineered to increase the functionality of a building's entrance without forsaking elements of design or aesthetic. Simple and easy to work with, OBEX® offers entry systems that can be recessed or surface-mounted as well as exterior and interior applications.

Broadloom & Modular Carpet

Milliken's broadloom and carpet tile incorporate the latest innovations in tufting and dyeing technology, achieving unique looks and excellent performance. With our Color Reference system, coordinating multiple products across a single project is a snap; whether it's carpet, LVT, or entry systems. All carpet tile products have cushion backing for an extended lifespan, as well as ergonomic and environmental benefits. Broadloom carpet also has cushion-back options, and all are standard with StainSmart®, a proprietary treatment applied to Milliken carpets to repel and protect against stains and enhance soil release.

Luxury Vinyl Tile

From natural looks of wood and stone to more modern textures and abstracts, Milliken's collection of Luxury Vinyl Tile flooring creates new options for a commercial or hospitality interior. Our simple-to-search Color Reference system provides easy coordination of the LVT options to modular and broadloom carpets. From carpet tile to broadloom to planks to LVT, Milliken provides durable and elegant options for your project.

milliCare®

We care for the environment with products and a method that improve Indoor Air Quality and reduce water consumption and your carbon footprint. We care about you professionally by saving you time through customized service plans for your entire space provided for by our franchise network. You work healthier and live healthier, and the planet is a better place because of it. We can bring that same quality of care and service to you wherever you are. milliCare takes caring for your flooring and textiles off your to-do list, which means that you get to skip right to the part where you get to lean back, put your hands behind your head, and be a hero for keeping a beautifully cleaned space.
